

Temporary Guide to Parking at Abbey Centre

Abbey Centre normally has 4 car parks available to choose from. Car Park A, Car Park B, Car Park C Level 1 and the Long Stay Car Park (C Level 2/3). Car Park C Level 2/3 (the multi-storey car park) is temporarily closed for resurfacing, as such Car Park C Level 1 is our temporary Long Stay Car Park.

The car park you use will depend on how long you expect you will be visiting for. Please use our handy flowchart on the next page to find the best car park for you.

Smart Parking Kiosk

If you are planning to shop in Abbey Centre for over 4 hours, you can park your car in Car Park C Level 1 and pay £1.50 using the Car Parking Machine.

Once you have paid your £1.50 parking fee, the machine will provide a parking ticket. You do not need to display this in your car. You simply keep it for reference. Your £1.50 parking fee covers you up until 23.59 of the day you parked. You can leave and visit Abbey Centre throughout that day as long as you continue to park in Car Park C Level I.
